

EB-950 In-Ear Headphones with iPhone Control

Delivering comfort, control and high fidelity

The EB950 in-ear headphones provide the ultimate in both durability and design. Engineered and crafted using superior materials and lightweight components, these headphones deliver the TDK Life on Record Signature Sound in a lightweight, comfortable design. With multiple ear tip options including Comply™ foam and silicon, the EB950 allows you to find a perfect seal for your ears, reducing ambient noise and improving sound quality. Made from superior materials, this is the new standard in tough, compact, elegant headphones.

Embedded with the TDK Life on Record Signature Sound, the high performance drivers in the EB950 in-ear headphones deliver your music as it was intended. Mastered by our Audio Research Lab to produce the ideal response curve, the EB950s produce sound that is never overdriven or heavy handed. Instead, it's authentic and mastered to provide bass, mid range and treble at optimal levels for any genre at any volume.

FEATURES & BENEFITS

High performance, dynamic speaker produces rich bass and crisp treble

In-line mic and remote provide control of calls, track selection and volume on select iPod and iPhone devices
